Nutritional *information*

CI Foods Nutritional Information: The food product information contained within this document is intended to provide you with the nutritional information needed to make well informed dietary decisions, determine specific product ingredients, find cooking instructions, food allergens, storage and preparation times, and case sizes of Correctional Industries’ manufactured food products.

SOME USEFUL TIPS FOR UTILIZING THIS GUIDE:

- To help narrow your product search, follow the table of contents to the right and click any of the headings or subheadings to quickly jump to the specific category.
- All products are listed alphabetically by name within each product category.
- Clicking on a product name will link you to more specific product information. These products will be underlined and highlighted in blue when more information is available. Example: [Pumpkin Muffin](#).
- You can return to the table of contents by clicking on the CI logo in the upper left hand corner at any time.
- If you still can’t find the product your looking for, utilize Adobe Acrobat’s search field in the tool bar to search for any product by it’s name or model number. By pressing Ctrl+F, it will highlight the search field if you cannot locate it on your tool bar.
