

Designed to Make Your Job Easier

Our Thermal Meal Carriers are lightweight and designed for the use of reusable as well as standard disposable trays (6½”x 8½”x 1½”).

These carriers feature durable and easy-to-clean removable vinyl liners, firm sidewalls that hold shape allowing easy loading and unloading, top window pockets for securing route paperwork, pull-tabs on insert and dividers, and shoulder straps for easy carrying. We offer four sizes to choose from that hold 4, 8, 16 or 32 meals.

Thermal Meal Carriers

WASHINGTON STATE
CORRECTIONAL INDUSTRIES

There is no better choice than CI for fast, economical, custom made high quality products

Correctional Industries' Thermal Meal Carriers are made of built-to-last quality materials with innovative, closed cell insulation throughout. Our carriers feature two-way zippers and flexible insulated pads to keep the heat or cold in. The abrasion and fluid resistant inner walls and outer shell are made of high quality fluid resistant 600 denier coated polyester. Durable and adjustable straps are made of 2" heavy webbing that are reinforced and securely sewn onto the bag and down the bottom for optimum support and strength.
