

Pinnacle Seating

While both attractive and comfortable, the Pinnacle lounge seating line is a product that will withstand the test of time.

LS-PINW2

Lounge settee with wood armcaps.

LS-PINW3

Lounge sofa with wood armcaps.

LS-PINW1

Lounge chair with wood armcaps.

Tethered Seat Cushions

Pinnacle's contemporary styled lounge seating beautifully merges form and function. With the choice of chair, settee or sofa, Pinnacle seating provides comfortable seating options for hospitality, residence living and healthcare environments.

PINNACLE FEATURES

Fully upholstered seating constructed from precision CNC milled wood components. Sinuous no-sag spring deck for improved comfort. Seat cushions made from high resiliency foam and are tethered in order to provide security while affording reversibility. All pieces are component repairable. Curved arm design available with or without hand-sanded solid wood armcaps. Exposed solid wood feet with choice of natural, medium or dark wood stain finish. Standard upholstery choices. Ultra-durable fabrics available.
