

Thermal Meal Carriers

Correctional Industries' thermal meal carriers are made of high quality, lightweight materials that feature an innovative closed cell insulation throughout – designed to deliver your meals at just the right temperature. Our carriers feature adjustable 2" heavy webbing shoulder straps that are reinforced and securely sewn onto the bag and down the bottom for optimum strength and support, and come in 4, 8, 16 or 32 tray meal sizes that are designed to hold both reusable or standard disposable trays (6½"x 8½"x 1½").

Standard Features

- Flexible insulated pads keep hot or cold in
- Two-way zippers for easy access
- Abrasion and fluid resistant inner walls
- Removable and easy-to-clean vinyl liners
- Firm sidewalls that hold their shape
- Top window pockets for securing route paperwork
- Pull-tabs on insert and dividers
- Outer shell is made of fluid resistant 600 denier coated polyester
